Additional Information

The construction zone is a 1½-mile section of the Generals Highway in Sequoia National Park between the park entrance on Highway 198 and Giant Forest. (Specifically, the construction zone is located between two local landmarks: Amphitheater Point and Deer Ridge.)

- Traffic may be restricted to a steep, narrow, and winding single lane.
- Drivers must follow a pilot/lead vehicle when work is in progress.
- Uphill-bound vehicles will be allowed through the construction area first at the designated times listed in the schedule above.
- Schedules are subject to change due to weather conditions and other factors.
- The upper traffic light will be moved to approximately 500 feet above Deer Ridge.

The portion of the Generals Highway from Hospital Rock to the Giant Forest Museum is **currently closed to vehicles greater than 22 feet in length**. This restriction is expected to be in effect until May 2012 due to Federal Highways road construction vehicle size limits.
